Notes

1. Welcome and Announcements

Rosemary Anslow, Chair, NMDAC

- The Professional Development & Training began at 10 a.m. Rosemary reviewed the notes from the December 4, 2009, meeting and training session and the members approved with no changes.
- Rosemary announced that the NMDAC is in need of a laptop computer and projector, which will be used for Professional Development, Trainings, and CEU sessions. (The NMDAC currently borrows equipment from a board member.) A donation of equipment would be greatly appreciated and would be tax deductible.
- Training topics and speakers have been scheduled for the remainder of the year: June 4th training session will focus on Wound Care; September 10th will center on Diabetes Education in Tribal Schools; and Dec. 3rd session will be about Ethics and Diabetes Scope of Practice.
- Rosemary mentioned the need for a volunteer to help Lisa Chakos Knapp, meeting coordinator, with the quarterly Professional Development Training set-up and registration. If a member is interested, please contact Rosemary.

2. Diabetes Day at the Roundhouse

Kathleen Garcia, Chair Elect, NMDAC

- Diabetes Day was a success. Twenty health and human service agencies participated, and media, legislators and community members attended the event.
- Kathy thanked Drs. Kathleen Colleran and Sue Perry for speaking during the press conference.
- Kathy also thanked participants for showcasing their programs and for helping to make the day so successful.

3. NMDAC Graphic Identity and Web Site

Kathleen Garcia, Chair Elect, NMDAC

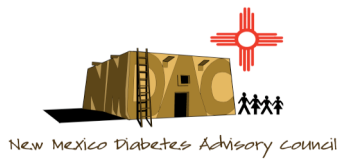

Lisa Chakos Knapp, Coordinator, NMDAC

- Kathy unveiled the new NMDAC logo and explained the design was created and donated to the organization by her son. The logo is the first for NMDAC, and members will begin to see the logo on all materials produced by the organization. A new brochure, with the logo, has been created and the final version should be available at the June meeting
- Lisa presented the new Web site that NMDAC recently launched. The address is www.nmdac.org and it will have information on upcoming trainings, agendas, links to resources, past presentations, photos from events, and other useful information for members that was previously available on the DPCP Web site.

4. Diabetes Prevention and Control Program Update and Overview

Eileen Douglass, MS, RD, CDE, Health Educator Supervisor, DPCP

- Eileen Douglass presented the DPCP update because Judith Gabriele was called to a budget hearing at the state.

- Eileen announced that a few new resources are now available on the DPCP Web site: 2010 Diabetes Fact Sheet for NM and a PowerPoint Presentation on Smoking and Diabetes.
 - Evaluation group education from four states with money provided from Merck Chronic Disease. Implementation and evaluation focusing on conversation maps. Many organizations have been contacted and asked to be involved.
 - Meter and strip project will start having clinics provide data to receive the strips.
 - Budget discussion. Because of deficit, state will be cutting all budgets and services will be impacted. DPCP is committed to working with NMDAC and will know more about funding and budget after special session.
- 5. Zia Association of Diabetes Educators (ZADE) Overview and Update**
Linda Reineke, RD, CDE, Patient Education, UNM Hospital
- Linda discussed ZADE's mission and presented an update of its activities. (Please see full presentation on NMDAC Web site.)
 -
- 6. Update on the American Association of Diabetes Educators (AADE)**
Donna Tomky, MSN, RN, C-ANP, CDE, President-Elect, AADE
- Donna gave an overview of the AADE's initiatives and planned activities for 2010. (Please see full presentation on NMDAC Web site.)
